

Hello and welcome to Peak Paddlers!

Here is some information to help you stay safe and enjoy your time at the club.

The club meets at Errwood Reservoir from April to October each year on Thursday evenings and plans sessions at Buxton Pool through the winter.

- Errwood sessions run from 6pm, or 6.30pm as the nights draw out.
- The club's communication is mainly through the message board (at www.peakpaddlers.co.uk) and Facebook. Keep an eye on them for club events and trips.
- It is strongly recommended that paddlers participate in groups (minimum 3 people, one with safety knowledge). We aim to have an experienced paddler available at Errwood each week to accompany a group.
- The club runs regular BCU One Star courses for new members to ensure that they are confident to paddle at Errwood reservoir.
- We run a rota for a Thursday evening with people to open up at Errwood and for competent paddlers to accompany a group on the water. Please do offer to help out!

Committee meetings are held monthly and we welcome your comments and suggestions. Details of the committee members are available on the website.

Membership fees are £35 per adult; £70 per family; £15 junior membership. Equipment is available to hire at £1 per item on club nights. Boats are available to hire for personal trips, see the signing-in folder for more details.

To keep yourself safe, please read the safety policy and risk assessments in the documents section of the Peak Paddlers website:

Do ask if you have any questions.

Have fun and happy paddling!
